

Community Leaders,

Now in existence for over 20 years, the Junior League of Moore County (JLMC) continues to strive to expand its programs and offerings to our community. We sincerely hope you will be able to partake in one or more of the many events we are offering this year to experience firsthand the pride we take in supporting Moore County.

It is our mission to create positive change in the lives of women and children in Moore County by providing trained volunteers to assist with Community Partners. Since 1998, the League has raised and distributed over \$200,000 to our community. Annually JLMC, supports Friend to Friend with regular cleanings of their Serenity House and supplies move in baskets for their residents, we have developed a nutrition mini-series that is taught with the Boys and Girls Club, and we sponsor a room at North Moore High School that provides students access to a washer and dryer along with healthy snacks and a safe decompression space. Lastly, we host the annual Christmas party for the Children in Foster Care with Moore County DSS, this event is not just special for the children, but is also a thank you to the DSS workers and the amazing foster parents who have opened their homes. These are just a few of the many projects our League currently supports.

We would truly appreciate you making a commitment to support our fundraising events, especially our main event, Wine in the Pines, taking place on March 2nd, 2024 at the Fair Barn in Pinehurst. Approximately 275 guests will enjoy wine and food tastings with live music, and raffles. The last Wine in the Pines we hosted in 2023 raised an amazing \$11,000 to support our community programs. This year's goal is to fundraise \$15,000 to allow us to support even more deserving organizations in Moore County.

I look forward to having an opportunity to discuss with you a symbiotic partnership between your company and JLMC. Sponsorship for our event is key to making Wine in the Pines a success. Our organization is a non-profit under Section 501(c)3, and any donation is fully tax-deductible with Tax ID# 56-1573770.

Without the assistance of community-minded individuals like you, we wouldn't be able to serve those in our community each year. The Junior League of Moore County would like to thank you in advance for your support!
